Wedding Packages:

Bespoke Package:

As well as all of our standard packages we offer unique, tailored and bespoke packages to meet all of your individual needs and these can be arranged upon request.

All package prices will be agreed after your initial free consultation at your chosen location.

Silver Package:

Customer Management

We provide the highest level of customer care ensuring that you are involved and feel in control of all the decisions that are being made

On The Day Event Management

We meet our clients at their chosen venue two weeks prior to their wedding to discuss the detail of their day including going through supplier arrangements so that our team of event co-ordinators know exactly what you have planned.

This will allow us to:

Liaise with your suppliers and confirm final arrangements.

Confirm all details to ensure there are no hiccups on the day.

Produce a detailed schedule for the day including timings and suppliers.

Develop a directory of suppliers in case contact needs to be made on the day.

Arrive early on the day to oversee the set-up, venue decoration, suppliers, attend to guests as required and any other matters which arise during the course of your wonderful day.

Gold Package:

In addition to the Silver Package:

Venue & Location Search

Whatever the venue you require, whether it be a country estate, an intimate hotel, a rural church or a trendy city centre location we can find the right venue for you.

Venue recommendations following your list of requirements established at our initial consultation.

After a second meeting we will narrow this down to three venues which we can then arrange appointments for you to view.

We will accompany you on these visits and talk through your requirements with the venue hosts.

Provisionally booking the venue and confirming the booking of the venue when required.
