EriVica Cakes is the recommended wedding cake supplier for both Hintlesham Hall and Priory Hall in Suffolk.

Thank you for considering EV 's for your wedding cake creation.

At EriVica Cakes we pride ourselves on being able to create the perfect design for your wedding cake. With our high standards, attention to detail, customer service and the amazing taste of our cakes we are sure that you will find it hard not to choose us to create the cake you've been dreaming of!

Over the years we have been privileged to make cakes from all genres, from quirky and fun to beautiful, traditional designs that fit their setting perfectly. To achieve this for you we will book you a free, no obligation wedding consultation, during which we will look at all aspects of your planned day, from colour scheme, bridesmaids and wedding dress, venue, time of year, your flowers choices and preferred cake styles as well as your likes and dislikes in terms of design. Terri will then create a sketch of your cake design and with your input she will then tweak the design until it becomes the perfect cake for your special day.

There are things that will determine some aspects of your design such as the number of portions required and budget. We take these things into account and will do everything we can to achieve a design that is all you hoped for your special day.

Once you have a design that you like, we will provide you with a written quote. To secure the booking with us we require a 50% deposit. The balance will then be due 3 weeks before your wedding date (Please note that until the final payment is received we will not start creating your cake).

We offer delivery and set up of the cake at your wedding venue. This service is free of charge for venues in Hadleigh and the surrounding villages. We are also happy to deliver anywhere in the UK and any delivery costs will be provided on your written quote.

We look forward to setting off on your wedding cake journey with you!
