FABULOUS FOOD FOR A
Mouthwatering Reception

Caley has been awarded an AA Rosette for excellence, offering a mix of fine dining alongside classic dishes. Our head chef has developed some delicious wedding menus using locally sourced ingredients but if you'd prefer to choose your own dishes we are happy to work with you to create a bespoke menu that compliments your day.

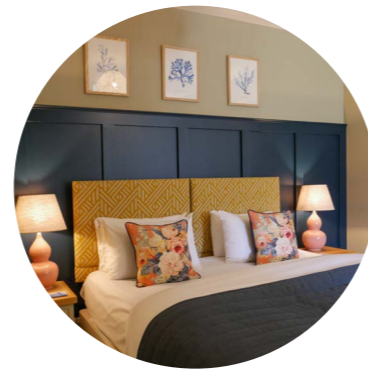

'The food throughout our day was absolutely first class. We started with delicious canapés, followed by a choice of four exquisite three-course meals. The evening buffet included pork rolls and wedges, which were absolutely delightful. So many of our guests commented on the outstanding quality of the food and the obvious use of top-quality ingredients. Everything was prepared and presented beautifully, we couldn't have been happier.'
